Dear Hawks Supporter:

Thank you for your consideration in sponsoring the Hebron High School Men's Basketball program for the 2019-20 season. The boys are training really hard and are excited about the upcoming season. We look forward to competing for another district title and are committed to making a deeper push into the playoffs this season. Plus, we are excited about our new Hebron Arena that will be completed for the 2020-2021 season and all that it has to offer for our program and our community.

Our program cannot succeed without the support of local business sponsors like yourselves. While the school district does all it can, the Boys basketball budget is limited each year and the Booster Club sponsors and volunteers work hard to make up the balance. The funds this year will help with a much-needed new shooting machine, along with, but not limited to, tournament fees.

Please help us continue the great tradition that Hebron Men's Basketball has enjoyed and know that the boys are very appreciative of anything you can do to help. Thanks again!
